WILENCOTE BULL SALE 2023

Its been a pretty hard start to 2023 with Cyclone Gabrielle causing havoc for the East Coast and we want to acknowledge those affected directly or indirectly. If there is one positive thing we can take from the cyclone it is that it has been so amazing to see how local communities band together in times of adversity.

It gives us great pleasure to present the 2023 Sale Bulls. We have 34 rising two year old bulls on offer by five reference sires. This year we have our second run of calves by Glenbrae Nibbs and Kairuru Osborne, with their progeny having performed really well. We also have our first run of calves by Kairuru Pete; and these add a lower birth-weight option.

This year we have had a strong focus on obtaining top genetics to enhance our breeding goals. We completed our first AI programme across our 3 year old heifers and selected cows. We used two sires - Okawa Saracen 2000175 and Otapawa Rio Grande 9073. We also purchased a new senior sire Limehills Stardom 190158 and can't wait to put him to use.

Thanks for taking an interest in our breeding programme; we look forward to catching up with you on sale day and we hope you enjoy our hospitality.

Matt & Megan Humphreys

WILENCOTE BREEDING PROGRAMME

. Meeting the needs of .

COMMERCIAL CATTLEMEN

Wilencote Polled Herefords is New Zealand's Oldest Polled Hereford Stud - established in 1929. We have 250 registered cows, including heifers.

The herd is farmed on Wilencote, which is 420ha (390ha effective) and comprises medium to steep hill country.

Bulls are 100% grass fed and produced in an environment similar to a commercial herd.

OUR BULLS ARE:

- Group Breedplan Recorded
- Service, WOF and Semen Tested
- BVD Tested / Vaccinated and TB Status C10
- Muscle Scanned
- 100k SNP DNA Tested / Sire Verified

WE ALSO OFFER:

- Eastland Hereford Club 3 year structural guarantee.
- Free cartage within the North Island.

DISCLAIMER:

The BREEDPLAN Estimated Breeding Values (EBVs) contained within this sale catalogue were compiled by the Agricultural Business Research Institute (ABRI) from the data supplied by breeders. Neither Hereford NZ nor ABRI oversee or audit the collection of this data.

HEREFORD NZ EBV's Explained

BREEDPLAN EBVs and selection indexes remove the effects of non-genetic factors (e.g. feeding regimes, animal age) from what is seen and measured to provide the best measure of an animal's genetic merit. BREEDPLAN information should always be used in conjunction with other selection criteria, including visual assessment.

A BEST PRACTICE GUIDE TO SELECTING YOUR NEXT NEW ZEALAND HEREFORD SIRE

A BREEDPLAN Guide to Animal Selection allows you to select the best genetics for your herd in four easy steps:

1. Identify the **New Zealand Hereford selection index** of most relevance to you.
2. **Rank animals** using the chosen selection index.
3. Consider the individual EBVs of importance.
4. Consider other traits of importance (e.g. visual assessment).

The majority of these steps can be undertaken online, allowing you to generate a shortlist of bulls for potential purchase ahead of sale day. The searchable version of this catalogue can be found online at www.herefords.co.nz or www.pivotdesign.co.nz/ catalogues.

NEW ZEALAND HEREFORD BREEDPLAN

New Zealand Herefords publishes the following BREEDPLAN EBVs and Selection Indexes. Please note that only EBVs from the same BREEDPLAN analysis can be directly compared.

CONDITIONS OF SALE

1. The sale will be conducted under the conditions and usual terms of the Gisborne Stock and Station Agents Association, as posted at the Sale.
2. **EVERY BULL A GUARANTEED BREEDER.** The entry of a bull in this catalogue constitutes a guarantee by the vendor that the purchase price, without interest, expenses, cost or damages, shall be refunded if a bull proves infertile. Any dispute shall be settled by an arbitrator appointed by the Auctioneers. Any complaint must be lodged with the Auctioneers in writing within six calendar months of the date of sale. A veterinary surgeon's certificate shall be produced by the Purchaser when required.
3. All lots are sold exclusive of GST.
4. **TRANSFER:** All registered bulls are eligible for transfer by arrangement
5. **INSURANCE:** Buyers are advised to insure bulls. All bulls remaining on the property pending delivery should be insured by the Purchaser as no responsibility shall be taken by the Vendor.
6. **INSTRUCTIONS:** In the interest of the Buyers, explicit instructions must be given in writing and delivery dockets signed by the Buyer or his/her representative, before leaving the sale.

7. **REBATES:** A purchasing rebate of 6% will be paid to non participating livestock companies and independent livestock agents with approved credit facilities introducing buyers to the sale.
8. **FREIGHT:** Free cartage within the North Island.
9. **DELIVERY:** Week following the sale.
10. **WORKSAFE:** You enter the property and all the facilities at your own risk.

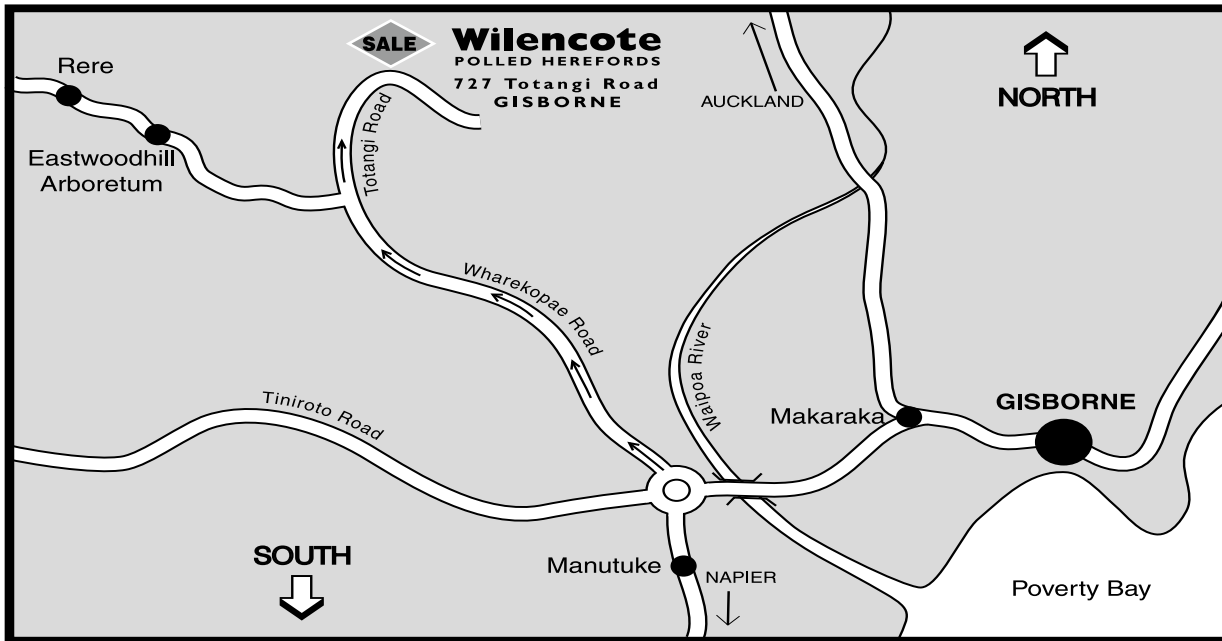

VENDOR DISCLAIMER

This catalogue has been compiled by the vendor. While every care has been taken to ensure accuracy no responsibility is accepted for any error or omission in this catalogue.
